## AWARD SYSTEM FOR 2023

**Dear Parents and Caregivers,**

At MGPS, we use positive reinforcement strategies for increasing and shaping positive behaviours in all learning environments. Through positively reinforcing students' acceptable behaviours (academic and social), the students benefit in all areas: academically, behaviourally, socially and emotionally.

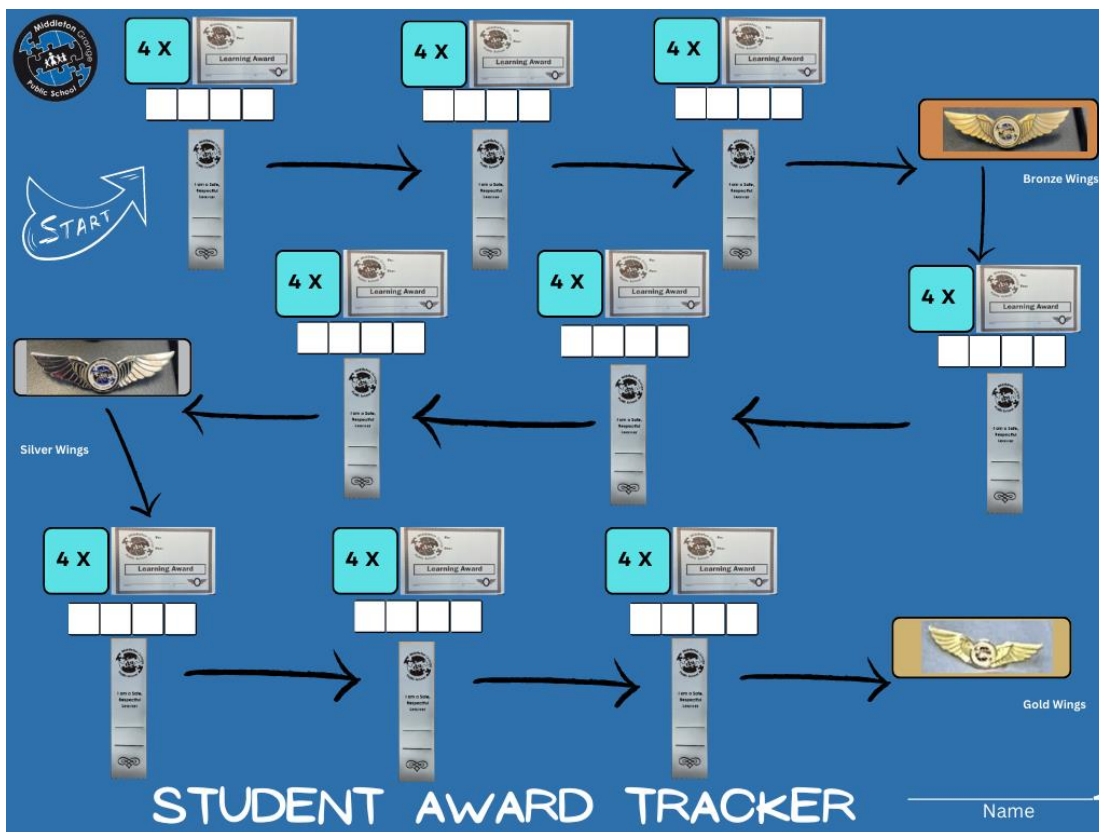

As part of an updated whole school behaviour management policy, there have been changes to the **Award System** for 2023.

*Please take the time to look through the 'Student Award Tracker' with your children.*

### **BE SAFE, BE RESPECTFUL, BE A LEARNER**

Students will **now** need to collect **4 blue awards** to receive a blue ribbon.

- Students will require **12 blue awards** to receive a **bronze wing**.
- Students will require **24 blue awards** to receive a **silver wing**.
- Students will require **36 blue awards** to receive a **gold wing**.

**Kind regards,**

**Sandra Carrasco (Organising Teacher)**
